

# TALKING SCIENCE

2024

with

# Eve Marder

Professor of Neuroscience at the Brandeis University  
Pioneer in the study of neural circuits and their dynamic neuromodulation

## Programme

**Thu, 25 Apr** | 10:30 - 12:30 CEST  
room TBA, LMU Biocenter

**Thu, 25 Apr** | 17:00 - 18:30 CEST

Large lecture hall (B00.019), LMU Biocenter

**Fri, 26 Apr** | 13:30 - 15:00 CEST

GSN Seminar Room (D00.003), LMU Biocenter

**Thu, 25 Apr** | 14:30 - 16:00 CEST

**& Fri, 26 Apr** | 10:00 - 11:30 CEST

GSN students' room (B00.051), LMU Biocenter

**Round table discussions: Science & Career**

Munich neuroscience students (registration!)

**Julius Bernstein Lecture** | public

'From modulation of degenerate neurons and small networks to climate change'

**Open discussion forum** | Munich neuroscience community

'How scientific publishing has changed, and should change?'

**1-on-1 student meetings**

Munich neuroscience students (registration!)
